

## 2024 Season Partnership

Hurricane Hole Marina and Resort's mission is to increase community, comradery, and competition in Louisiana sportfishing. This season, our facilities will host the best of the best teams in tournament fishing across the gulf coast. Grand Isle is quickly becoming a larger attraction for the Sportfishing industry.

We are reaching out to our business associates to help us achieve our mission. Your sponsorship will be used to help fund the tournament cost to create professional, first-class events that will attract vessels and teams from all over the gulf coast.

These tournaments also give us an opportunity to give back to our community through our fundraising efforts. This season, each Hurricane Hole Tournament will donate a portion of the proceeds to create local scholarships and help local charities.

To be successful, we are looking to partner with businesses who share our vision and our mission. If you have any questions, we can be reached at the contact information provided.
